
MARISOL BRAVO LENIZ

Commercial engineer from the Universidad de Chile. She worked for six years at Citicorp Mutual Funds and for more than 30 years at CCU S.A., where she created the Corporate Affairs Management.

Until 2022 she was director of the Asociación de Cerveceros Latinoamericanos and ACECHI, and was director of Generación Empresarial at the beginning of this entity.

She is a director of AFP Habitat, a member of the FEN Business Advisory Board of the Universidad de Chile and president of the Board of Directors of the CCU in Art Program.

On the other hand, she collaborates pro bono in Fundación Mujer Impacta and is director of Traslación, a company of territorial relations in tourism.

She is a Reserve Officer for the FACH and in 2022 she completed the Programa de Alta Dirección, PADE, at the ESE Business School.
