Av. Libertador Bernardo O'Higgins 1449

Dear Sir,

Aguas Andinas S.A., an open stock corporation registered in the Securities Registry under N° 0346, by virtue of the provisions of Article 9° and the second paragraph of Article 10° of Law N° 18,045 and General Rule N° 30 of the Financial Market Commission, hereby communicates the following as essential information regarding the Company, its business, its publicly offered securities or the public offering thereof:

On August 25 of this year, the Company was notified of several claims for damages for alleged breaches of the indemnity guarantee and breach of contract, as well as subsidiary claims filed in arbitration against it by Eco Acquisitionco SpA, which are related to the sale and transfer of the direct and indirect participation of Aguas Andinas S.A. in Empresa de Servicios Sanitarios de Los Lagos S.A. ("ESSAL"), completed in October 2020. The lawsuits filed claim in the payment of indemnities in the total amount of \$65,222,222,373.

In the opinion of Aguas Andinas S.A., these claims are unfounded and should be rejected.

However, in any case, in the aforementioned sale and assignment transaction, Aguas Andinas assumed the usual liabilities in a transaction of these characteristics, which is limited to the total amount of US\$ 11,500,000. In addition, the contracts entered into provide for additional limitations of liability for individual loss amounts, timeliness of claims, insurance recovery, losses arising from certain events previously known by the buyer, among others; circumstances that Aguas Andinas S.A. will assert in the corresponding procedural opportunities so that the claims in question are rejected in their entirety.

Yours sincerely,

Marta Colet Gonzalo

CEO

Aguas Andinas S.A.
